

**NAVAJO
PRIDE**

2018 SUMMER Internship

Application Deadline: **MARCH 30, 2018**

Internship Begins: **JUNE 4, 2018**

Internship Ends: **AUGUST 10, 2018**

Navajo Agricultural Products Industry (NAPI) is located 6 miles south of Farmington, NM and has summer internship opportunities available for students pursuing a degree in the areas listed below. As an enterprise of the Navajo Nation, NAPI produces quality products such as alfalfa, pinto beans, potatoes, wheat, corn and organics. Interested students will participate in strategic projects as they relate to NAPI's overall goals and objectives.

To apply, submit the following documents:

- ➔ Internship Application
- ➔ Most Recent Transcripts
- ➔ Resume
- ➔ Letter of Interest:

Outline your educational career goals and insight as to how an internship at NAPI will help in providing hands-on experience, enhanced learning and development into a career within the Agricultural Industry.
