

Navajo Agricultural Products Industry (NAPI) POSITION DESCRIPTION

JOB TITLE:	Pivot Irrigation Technician	JOB CODE:	
		PAY GRADE:	SL
DEPARTMENT:	302 - Irrigation	PAY STATUS:	Full Time/Hourly
REPORTS TO:	Irrigation Manager	REGULAR/SEASONAL:	Regular
APPROVED BY:	<i>Beulah C. Gole</i> , Human Resources Manager	DATE APPROVED:	7/18/2017

I. POSITION FUNCTION SUMMARY:

Under the direction of the Irrigation Manager, the Pivot Irrigation Technician will be responsible for operating and maintaining center pivot irrigation systems by troubleshooting, dismantling and re-assembling irrigation systems to ensure water delivery to all crop areas.

II. ESSENTIAL FUNCTIONS, DUTIES, AND RESPONSIBILITIES:

The following statements are essential functions of this position and not intended to be all-inclusive; rather, they are intended to describe the general nature and level of work to be performed. They are not to be construed as an exhaustive list of all responsibilities, duties and skills required of the incumbent, and an employee may be directed to perform other reasonably related job duties and responsibilities. NAPI reserves the right to revise or change the job duties and responsibilities as the need arises, based on business need, and this position description may be updated accordingly. This position description does not constitute a written or implied contract of employment.

Essential Duties & Responsibilities

1. Maintains and complies with total quality controls according to USDA standards relating to inspection, grading, sorting, handling, and shipments that ensure NAPI's concerns on food safety.
2. Perform routine & preventative maintenance on center pivots including all electrical and mechanical parts as indicated by manufacturer's specifications
3. Identify and schedule when and what kind of maintenance is needed on center pivot systems.
4. Identify the appropriate tools and equipment needed to do a job.
5. Inspect center pivot structures, equipment, and materials to identify the cause of errors or other problems or defects.
6. Replace and change out gearboxes, center drives, drive lines, couplers, and tires as needed.
7. Start up and shut down center pivot irrigation systems as needed or directed.
8. Repair and unplug sprinkler drops and nozzles to prevent water/land erosion.
9. Dig out or tow center pivots when necessary.
10. Perform preventative inspections of equipment to minimize breakdowns
11. Repair broken center pivots to minimize down time.
12. Maintain irrigation rates and schedules according to recommendations.
13. Maintain fertilizer application and calibrate pumps according to recommended applications.
14. Observe all safety precautions when applying or during aerial spraying of chemicals.
15. Maintain records on water, fertilizer, and chemical applications and provide this information to the Crop Foreman and Crop Manager as requested.
16. Perform simple to complex troubleshooting of control circuits and other electrical components.

17. Installs mechanical & electrical wires/connections and conducts test run for proper set-up.
18. Interpret schematics and electrical configurations on center pivots.
19. Monitor field operations to identify problems with water, fertilizer, or chemical application.
20. Learns the conditions of each field and advises on best practices to irrigate.
21. Maintain tool and parts inventory on company vehicle for parts costing records
22. Cross train equipment operators as needed.
23. Maintain a clean company vehicle at all times while abiding by NAPI policy on Use of Equipment and Vehicles
24. Work a diverse on-call schedule during the irrigation season.
25. Use proper personal protective equipment at all times.

Other

26. Works collaboratively, cooperatively, and in coordination with fellow team members and with others in the organization, treats them with respect, courtesy and consideration, and shows understanding and the appropriate support of other team members to help get the job done.
27. Provides information, guidance and resources to diverse groups of customers, clients and others outside of the organization; treats them in a friendly manner with professionalism, helpfulness, respect, courtesy and consideration at all times regardless of circumstances.
28. Maintains regular, dependable attendance and punctuality, and physical presence at the assigned worksite; must interact directly with people or objects at the worksite on a regular basis. Communications technology may, for certain tasks and under certain circumstances, enable an employee to effectively perform some of the work-related duties from home on a temporary basis.
29. Complies with all applicable environmental health and safety policies, procedures and work rules, giving maximum effort to performing job functions in a manner that protects the health and safety of the incumbent, co-workers, and the general public
30. Performs other duties as assigned and which are deemed necessary or desirable by NAPI.

III. POSITION AUTHORITIES AND ACCOUNTABILITIES:

General:

Position has a moderate level of line responsibility and high-level authority to make independent decisions over an assigned department or function. A person in this position has a moderate level of responsibility for a key operation or function.

Results of Action:

Decisions will have a moderate degree of impact on operations or services. Errors may result in significant disruption of operations or services or damage to operational activities. Errors in accuracy, judgment, tact or communication could result in a loss of productivity, and a significant loss of credibility and potential income for the organization. Failure to establish and monitor work schedules for the Department will result in an inability to meet deadlines and will delay the completion of records and other projects.

Budgetary & Financial Resources Accountability:

Position has minimal level of accountability for budgetary or financial decisions, and decisions will have a moderate degree of impact on resource utilization within NAPI; responsible for a moderate level of impact on an operating budget for the Department;

Equipment/Material Management & Accountability:

Position has a high level of responsibility for equipment, material, or supplies; proper utilization is required plus accountability for first-echelon maintenance may be required; minimal authority and accountability for purchase within strict policy guidelines may be present.

Confidential and Sensitive Information:

- Incumbent has a minimal level of access to sensitive and proprietary company data, including but not limited to services, legal and financial data, and an essential job result is the maintenance of a high level of confidentiality of the information processed by the employee.
- Incumbent has no access to personal and professional data regarding individual employees and their families, and to personal data regarding customers/clients/members and their families, and must comply with the Fair and Accurate Credit Transactions Act (FACTA) to keep that data secure and private.
- Incumbent has no access to health data of employees and their families, and to health data of customers/clients/members and their families, and must comply with the Health Insurance Portability and Accountability Act (HIPAA), to keep that data secure and private.

Independence of Action; Supervision Received:

The Pivot Irrigation Technician works under general supervision of the Irrigation Manager. Employee performs minimal level, complex management work, and performs a moderate level of analysis and problem-solving with a high degree of independence and discretion.

Supervision Exercised:

The Pivot Irrigation Technician has no supervisory authority or responsibility; although the Pivot Irrigation Technician may retain functional authority over specific projects or areas of responsibility as specified in this Job Description or otherwise delegated by the Irrigation Manager.

IV. POSITION QUALIFICATIONS AND REQUIREMENTS:

To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. The requirements listed below are representative of the knowledge, skill and/or ability required for the position, but is not a comprehensive list. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

Education and Experience:

Required:

- Irrigation Technician Certificate, or directly related college courses in Electronics Technology, Irrigation Technology, or Mechanics.

Preferred:

- Associate’s degree from an accredited two-year college or university in Electronics Technology, Irrigation Technology, Mechanics, or directly related discipline.
- One (1) year progressive experience in irrigation systems or technology.

Substitution:

- One (1) year of FLSA non-exempt level experience in agricultural irrigation system maintenance may be substituted for the Associate’s degree requirement.

Navajo Preference:

Navajo preference will be applied in accordance with the Navajo Preference in Employment Act (NPEA), it is Navajo Agricultural Products Industry’s (“NAPI”) goal and intention to strictly adhere to the NEPA in all employment practices and hire qualified Navajo Personnel for all positions. Tribal sovereignty support and Navajo preference initiatives are mandatory.

Language Requirements:

Required:

Ability to read and write English in order to understand and interpret written procedures and technical manuals. This includes the ability to give and receive instructions in written and verbal forms and to

effectively present information and respond to questions from vendors, contractors, supervisors and co-workers.

Preferred:

Bi-lingual (English/Navajo)

Shared Responsibilities:

As a requirement of their employment, all NAPI employees are expected and required to follow and adhere to the following job responsibilities:

- Support the mission, vision, values, and goals of Navajo Agricultural Products Industry.
- Support excellence in our customer service philosophy, and deliver excellent customer service both to internal and external customers.
- Adhere to all company policies and procedures.
- Follow all safety policies, guidelines, and work rules, and participate in trainings.
- Practice good stewardship of NAPI property and follow policy.
- Act in a professional manner at all times.
- Function from INTEGRITY, HONESTY, and LOYALTY in all activities concerning NAPI.
- Follow the current NAPI Strategic Plan initiatives.
- Maintain and support a team environment within the workgroup, and with other departments.
- Champion NAPI in the community.

Core Competencies:

Performs the essential functions and elements of this position competently, demonstrating adequate progress throughout the course of the introductory period of employment and continuing throughout employment with NAPI. A variety of personal competencies need to be demonstrated by everyone at NAPI, and include but are not limited to:

- **Quality/Compliance:** Achieving a standard of excellence with our work processes and outcomes, honoring NAPI policies and all regulatory requirements.
- **Customer focus:** Striving for high customer satisfaction, going out of our way to be helpful and pleasant, making it as easy as possible on the customer or client, rather than on self, department, or organization.
- **Communication:** Balancing listening and talking, speaking and writing clearly and accurately, influencing others, keeping others informed.
- **Collegiality:** Being helpful, respectful, approachable, and team oriented, building strong working relationships and a positive work environment.
- **Initiative:** Taking ownership of our work, doing what is needed without being asked, following through
- **Efficiency and Continuous Improvement:** Planning ahead, managing time well, being on time, being cost conscious, thinking of better ways to do things
- **Coachability:** Being receptive to feedback, willing to learn, embracing continuous improvement
- **Safety:** Comply with and actively support all workplace safety policies and practices.
- **Team Player:** able to work collaboratively with others in the organization, and to work well with diverse groups of people and gain and maintain respect of others, both inside and outside of NAPI.

Knowledge, Skills and Abilities:

To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. The requirements listed below are representative of the knowledge, skill, and/or ability required to perform the essential functions of the position, but are not a comprehensive list:

- Knowledge in maintaining and repairing irrigation systems.

- Knowledge of irrigation systems and tools, including their designs, uses, repair, and maintenance
- Knowledge of arithmetic, algebra, geometry, calculus, statistics, and their applications.
- Knowledge of design techniques, tools, and principles involved in production of precision technical plans, blueprints, drawings, and models.
- Skill in analyzing information and evaluating results to choose the best solution and solve problems
- Skill in dismantling and reassembling defective machines for repair, using hand tools.
- Skill in performing routine maintenance on equipment and determining when and what kind of maintenance is needed.
- Skill in repairing machines or systems using the needed tools.
- Skill in determining causes of operation errors and deciding what to do about it.
- Skill in controlling operations of irrigation equipment and systems.
- Skill in installing mechanical & electrical wires/connections
- Skill in active listening as this position communicates with all levels of company employees.
- Skill in self-management; to manage one's own time and the time of others.
- Ability to read and decipher schematics and electrical configurations.
- Ability to speak in public.
- Ability to use a computer and computer programs.
- Ability to use search engines, data queries, and assimilate printed information.
- Ability to communicate effectively orally and in writing in English. Navajo language is helpful.
- Ability to be self-directed, developing one's own way of doing things, guiding oneself with little or no supervision.
- Ability to be detail-oriented and thorough in completing tasks.
- Ability to be persistent in the face of obstacles and being able to accept criticism and dealing calmly and effectively with high stress situations.
- Ability to be pleasant with others on the job and displaying a good-natured, cooperative attitude.
- Ability to be open to change (positive or negative) and to considerable variety in the workplace.
- Ability to be available during various working hours during harvest season to meet deadlines.
- Ability to operate a Company Vehicle.
- Ability to thrive in a fast-paced and pressured environment and must be able to shift to other functions and priorities as needed.

Certification, Licenses and Registrations:

- Must have and maintain a current New Mexico, or Arizona driver's license, must have and maintain an NAPI-insurable driving record, and must provide proof of current liability insurance meeting or exceeding State-required minimum coverages.
