

NAVAJO AGRICULTURAL PRODUCTS INDUSTRY (NAPI)

POSITION DESCRIPTION

JOB TITLE:	Journeyman Electrician	JOB CODE:	
		PAY GRADE:	PR
DEPARTMENT:	Farm Support	PAY STATUS:	Full Time / Hourly
REPORTS TO:	Farm Support Services Manager	REGULAR/SEASONAL:	Regular
APPROVED BY:	<i>Beeulah C. Ogle</i> Human Resources Manager	DATE APPROVED:	4/16/2019

I. POSITION FUNCTION SUMMARY:

Under direct supervision of the Farm Support Services Manager, the Journeyman Electrician provides skilled electrical support to buildings and facilities throughout NAPI and NIIP; ensures that work is done in accordance with relevant codes. This position is responsible for installing, maintaining, and repairing electrical wiring, equipment and fixtures within an industrial setting.

II. ESSENTIAL FUNCTIONS, DUTIES, AND RESPONSIBILITIES:

The following statements are essential functions of this position and not intended to be all-inclusive; rather, they are intended to describe the general nature and level of work to be performed. They are not to be construed as an exhaustive list of all responsibilities, duties and skills required of the incumbent, and an employee may be directed to perform other reasonably related job duties and responsibilities. NAPI reserves the right to revise or change the job duties and responsibilities as the need arises, based on business need, and this position description may be updated accordingly. This position description does not constitute a written or implied contract of employment.

General Duties & Responsibilities

1. Plan layout and installation of electrical wiring, equipment and fixtures, based on job specifications and local codes
2. Inspect electrical systems, equipment, and components to identify hazards, defects, and the need for adjustments or repair, and to ensure compliance with codes.
3. Test electrical systems or continuity of circuits in electrical wiring, equipment, or fixtures, using testing devices, such as ohmmeters, voltmeters, or oscilloscopes, to ensure compatibility and safety of system
4. Diagnose malfunctioning systems, apparatus, and components using test equipment and hand tools to locate the cause of the breakdown and correct the problem.
5. Properly and safely prepare work area, which includes layouts, schematics, materials, tools, and equipment.
6. Disassembles, repairs, installs, re-assembles, test, and repair circuit fixtures, equipment, and motors.
7. Coordinates service drop and connection with utility companies
8. Conducts system operations test and troubleshoot any system failures
9. Replaces all faulty electrical components of machines, such as relays, switches, motors, and position sensing devices, transformers, and magnetic starters with overload relays.
10. Assists in troubleshooting control panels, towers, and meter poles throughout the farm
11. Repairs underground cable from meter pole to center pivot.
12. Interprets and follows electrical schematics, drawings, diagrams, and codes when working on a work order.
13. Proficiently uses tools and equipment of the trade.

14. Communicates effectively with Crop and Department Managers to assure goals and objectives are being met and to coordinate repair or installation work within or between departments.
15. Prepare sketches or follow blueprints to determine the location of wiring or equipment and to ensure conformance to building and safety codes
16. Work from ladders, scaffolds, or roofs to install, maintain, or repair electrical wiring, equipment, or fixtures.
17. Advise management on whether continued operation of equipment could be hazardous
18. Perform business management duties, such as maintaining records or files, preparing reports, or ordering supplies or equipment.
19. Provide cost estimates for materials or services.
20. Conduct housekeeping within the shop during down times or when necessary.

Other

1. Works collaboratively, cooperatively, and in coordination with fellow team members and with others in the organization, treats them with respect, courtesy and consideration, and shows understanding and the appropriate support of other team members to help get the job done.
2. Provides information, guidance and resources to diverse groups of customers, clients and others outside of the organization; treats them in a friendly manner with professionalism, helpfulness, respect, courtesy and consideration at all times regardless of circumstances.
3. Maintains regular, dependable attendance and punctuality, and physical presence at the assigned worksite; must interact directly with people or objects at the worksite on a regular basis.
Communications technology may, for certain tasks and under certain circumstances, enable an employee to effectively perform some of the work-related duties from home on a temporary basis.
4. Complies with all applicable environmental health and safety policies, procedures and work rules, giving maximum effort to performing job functions in a manner that protects the health and safety of the incumbent, co-workers, and the general public.
5. Performs other duties as assigned and which are deemed necessary or desirable by NAPI.

III. POSITION AUTHORITIES AND ACCOUNTABILITIES:

General:

Position has a high level of line responsibility and high-level authority to make independent decisions over an assigned department or function. A person in this position has a high level of responsibility for a key operation or function.

Results of Action:

Decisions will have a high degree of impact on operations or services. Errors may result in significant disruption of operations or services or damage to operational activities. Errors in accuracy, judgment, tact or communication could result in a loss of productivity, and a significant loss of credibility and potential income for the organization. Failure to establish and monitor work schedules for the Department will result in an inability to meet deadlines and will delay the completion of records and other projects.

Budgetary & Financial Resources Accountability:

Position has minimal level of accountability for budgetary or financial decisions, and decisions will have a moderate degree impact on resource utilization within NAPI; responsible for a moderate level of impact on an operating budget for the Department;

Equipment/Material Management & Accountability:

Position has a high level of responsibility for equipment, material, or supplies; proper utilization is required plus accountability for first-echelon maintenance may be required; minimal authority and accountability for purchase within strict policy guidelines may be present.

Confidential and Sensitive Information:

- Incumbent has a moderate level of access to sensitive and proprietary company data, including but not limited to services, legal and financial data, and an essential job result is the maintenance of a high level of confidentiality of the information processed by the employee.
- Incumbent has no access to personal and professional data regarding individual employees and their families, and to personal data regarding customers/clients/members and their families, and must comply with the Fair and Accurate Credit Transactions Act (FACTA) to keep that data secure and private.
- Incumbent has no access to health data of employees and their families, and to health data of customers/clients/members and their families, and must comply with the Health Insurance Portability and Accountability Act (HIPAA), to keep that data secure and private.

Independence of Action; Supervision Received:

The Journeyman Electrician works under general supervision of the Farm Support Services Manager. Employee performs minimal level, complex management work, and performs a moderate level of analysis and problem-solving with a high degree of independence and discretion.

Supervision Exercised:

The Journeyman Electrician has no supervisory authority or responsibility; although the Journeyman Electrician may retain functional authority over specific projects or areas of responsibility as specified in this Job Description or otherwise delegated by the Farm Support Services Manager.

IV. POSITION QUALIFICATIONS AND REQUIREMENTS:

To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. The requirements listed below are representative of the knowledge, skill and/or ability required for the position, but is not a comprehensive list. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

Education and Experience:

Required:

- High School Diploma, GED, or High School Equivalence
- Certifications in JE98-NM Electrical Journeyman's license

Preferred:

- Associate's Degree from an accredited two-year college or university in Electrical, Industrial Energy Systems, or a related discipline.
- Four (4) years progressive experience in electrical construction and maintenance, in an industrial environment.

Substitution:

- Additional education or training may be substituted for experience requirement.

Navajo Preference:

Navajo preference will be applied in accordance with the Navajo Preference in Employment Act (NPEA), it is Navajo Agricultural Products Industry's ("NAPI") goal and intention to strictly adhere to the NEPA in all employment practices and hire qualified Navajo Personnel for all positions. Tribal sovereignty support and Navajo preference initiatives are mandatory.

Language Requirements:

Required:

Ability to read and write English in order to understand and interpret written procedures and technical manuals. This includes the ability to give and receive instructions in written and verbal forms and to effectively present information and respond to questions from vendors, contractors, supervisors and co-workers.

Preferred:

Bi-lingual (English/Navajo)

Shared Responsibilities:

As a requirement of their employment, all NAPI employees are expected and required to follow and adhere to the following job responsibilities:

- Support the mission, vision, values, and goals of Navajo Agricultural Products Industry.
- Support excellence in our customer service philosophy, and deliver excellent customer service both to internal and external customers.
- Adhere to all company policies and procedures.
- Follow all safety policies, guidelines, and work rules, and participate in trainings.
- Practice good stewardship of NAPI property and follow policy.
- Act in a professional manner at all times.
- Function from INTEGRITY, HONESTY, and LOYALTY in all activities concerning NAPI.
- Follow the current NAPI Strategic Plan initiatives.
- Maintain and support a team environment within the workgroup, and with other departments.
- Champion NAPI in the community.

Core Competencies:

Performs the essential functions and elements of this position competently, demonstrating adequate progress throughout the course of the introductory period of employment and continuing throughout employment with NAPI. A variety of personal competencies need to be demonstrated by everyone at NAPI, and include but are not limited to:

- **Quality/Compliance:** Achieving a standard of excellence with our work processes and outcomes, honoring NAPI policies and all regulatory requirements.
- **Customer focus:** Striving for high customer satisfaction, going out of our way to be helpful and pleasant, making it as easy as possible on the customer or client, rather than on self, department, or organization.
- **Communication:** Balancing listening and talking, speaking and writing clearly and accurately, influencing others, keeping others informed.
- **Collegiality:** Being helpful, respectful, approachable, and team oriented, building strong working relationships and a positive work environment.
- **Initiative:** Taking ownership of our work, doing what is needed without being asked, following through
- **Efficiency and Continuous Improvement:** Planning ahead, managing time well, being on time, being cost conscious, thinking of better ways to do things
- **Coachability:** Being receptive to feedback, willing to learn, embracing continuous improvement
- **Safety:** Comply with and actively support all workplace safety policies and practices.
- **Team Player:** able to work collaboratively with others in the organization, and to work well with diverse groups of people and gain and maintain respect of others, both inside and outside of NAPI.

Knowledge, Skills and Abilities:
